

KIT DE EMBRAGUE

CATÁLOGO 2022-23

Master Cut[®]

Master Cut[®]

KIT DE EMBRAGUE

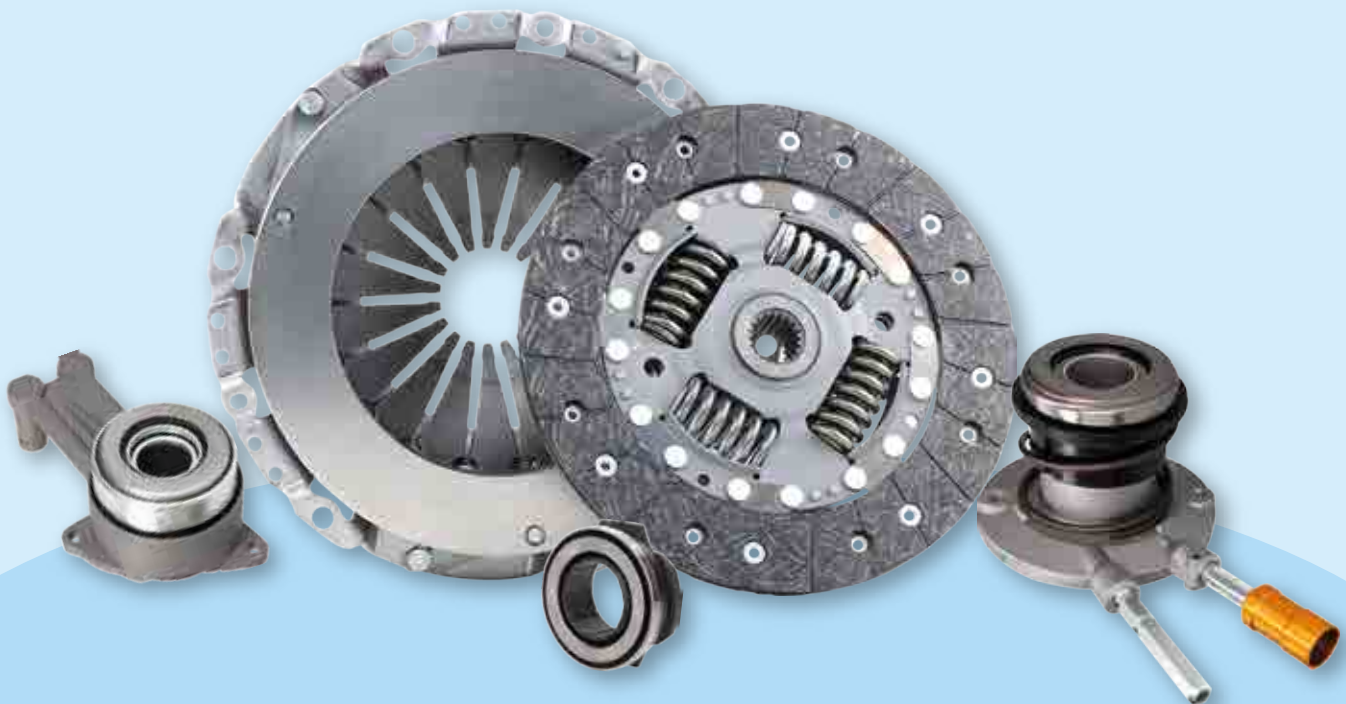

Es la marca de productos de embragues que garantizan la mejor transmisión de la potencia del motor a tu auto.

Elaborados bajo estándares de equipo original, son ideales para una amplia variedad de aplicaciones para autos asiáticos, americanos y europeos.

¡Tu mejor opción de cambio es **MASTER CUT[®]**!

- ◆ Mayor confort del pedal y una mejor comodidad de conducción.
- ◆ Ahorro de combustible, reducción de emisiones y disminución de vibraciones
- ◆ Mejora la compensación de la pérdida de alimentación entre el motor y la caja de cambio.

The background features a light blue line-art illustration of three automotive clutch components. At the top left is a circular pressure plate with several bolts. In the center is a large, circular clutch disc with a central hub and radial spokes. At the bottom right is a smaller, more complex component, likely a release bearing or fork. The text is overlaid on these components.
